HIGH-OUTPUT INDUSTRIAL LED LIGHT SOURCE

LUMLED 650

viZaar industrial imaging AG

UP TO 540 LUMENS - 6,500 KELVIN
POWERFUL. HEAVY-DUTY. ULTRA-LIGHTWEIGHT.

A HIGH-BRIGHTNE

Unrivaled Illumination

Maximize your visibility for inspections without compromise. With an exceptional output of **540 lumens**, the LUMLED 650 delivers light intensity far exceeding current standards. Its color temperature of **6,500 K** ensures natural cool-white lighting, revealing even the smallest details with precision

Lightweight and Portable

Weighing just 1.1 kg, the LUMLED 650 ensures maximum portability in the field. Its exceptionally compact design allows for easy handling and simplified access to even the tightest spaces.

OLED Display

OLED technology for precision control. Control your lighting with the touch of a finger. Equipped with an OLED graphic display, the LUMLED 650 provides clear feedback and ultra-precise adjustment of light intensity to perfectly adapt to any work environment.

60 000h

ESS LIGHT SOURCE

High-Precision Dimmer

Take full control of your lighting with the LUMLED 650's padded rotary knob, designed for smooth and precise operation even when wearing gloves. This intuitive dimmer allows for precise, millimeter-level adjustment of light intensity, with the exact level instantly displayed on the OLED graphic screen. By combining robust ergonomics with digital visual feedback, the LUMLED 650 ensures you achieve the perfect brightness for every inspection, guaranteeing optimal image clarity without glare.

State-of-the-Art Cooling

Guaranteed Stability: Maintain consistent lighting output, even during heavy use. The LUMLED 650 features three uniquely designed ventilation grilles that maximize airflow for efficient cooling. This design ensures stable performance and protects the exceptional longevity of your high-power LED light source.

Need Light Cables?

Maximize the LUMLED 650's 540 lumens with our custom-made light guides. We design specific lengths and sheaths to ensure perfect light transmission and total inspection accuracy.

Inexhaustible

An LED with a lifespan of 60 000 hours.
